HI.... HI....MOM!

I JUST WENT SHOPPING FOR FOOD. I'M MAKING SWEET AND SOUR PORK RIBS, IT'S YOUR FAVOURITE SO COME DOWN WHEN YOU FINISH.

YES!

Mom definitely went home from work. She scared the hell out of me.

Maybe because I haven't heard her voice for a while...

Somehow, I really missed it...

Ah right, the game and the real world are parallel....

So if I stay here for a few days, it should be all right...

NEXT MORNING

CLASSMATE, SCHOOL DOESN'T START UNTIL TOMORROW. NO ONE TOLD YOU THAT?

Damn it! I got up early to go to school and there's a sudden notice today is a day off. Such a hard life!

Oh well, forget it!

How troublesome! There're many security guards here, how can I get in?

LIN LING, LET ME TELL YOU A WAY.

MY FATHER IS HOLIDAYING.

IF I'M SATISFIED WITH IT,

MAYBE I'LL CONSIDER GIVING THE GAME DISC TO YOU AS A PRESENT.
